

Materials:

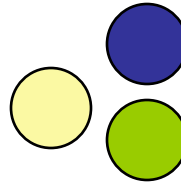

- picture card (of game)

- 1 dice

- counters (one for each child playing)

-can be buttons.

Instructions

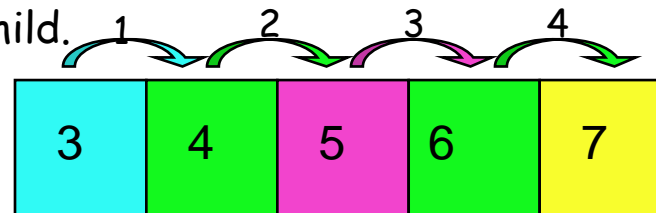

Players take turns.

Place counter on "start", then throw the dice.

If you get a 3 , you move your counter on 3 spaces, to number 3 .

On your next turn if you get a four  move your counter on 4 spaces to the box number 7 .

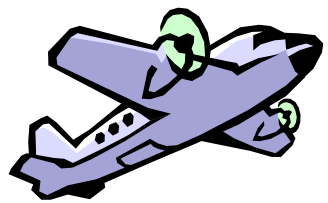

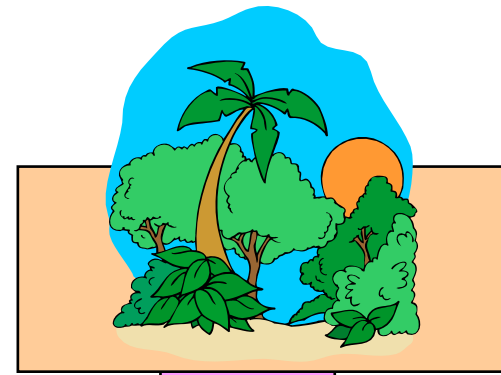

This may need to be explained to the child.

The first player to reach the island is the winner.
