

Colin looks for his bone

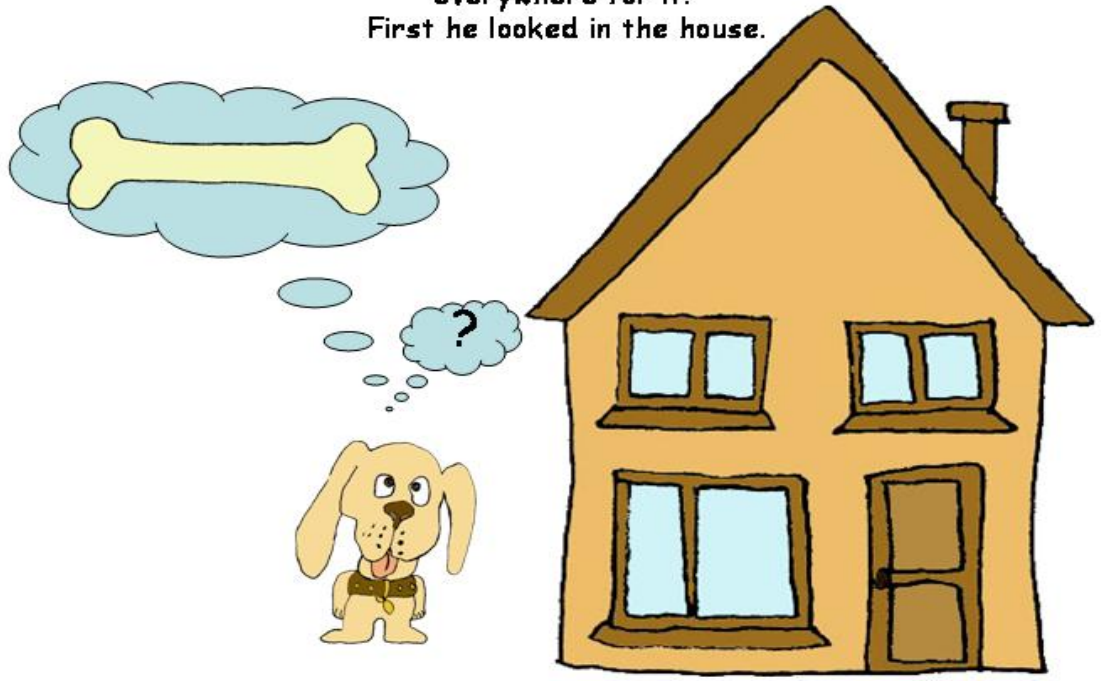

Week 9 Book 21

Colin looks for his bone

Week 9 Book 21

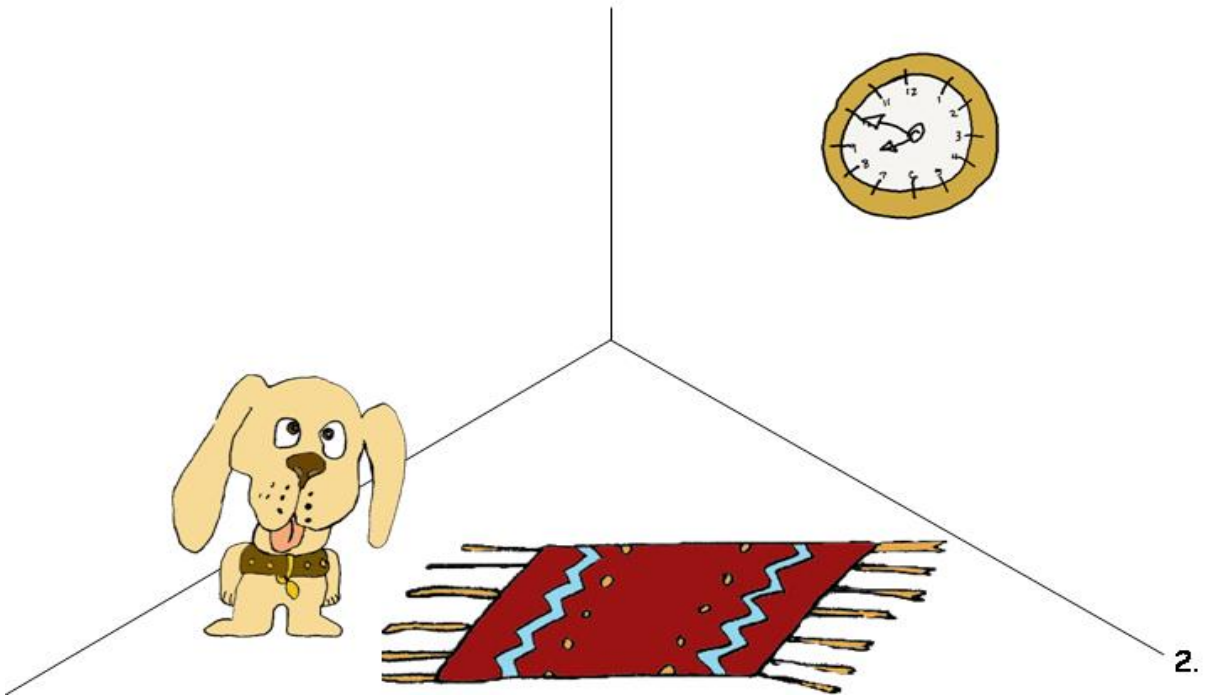

Yesterday, Colin lost his bone. He was very hungry so he decided to look everywhere for it.
First he looked in the house.

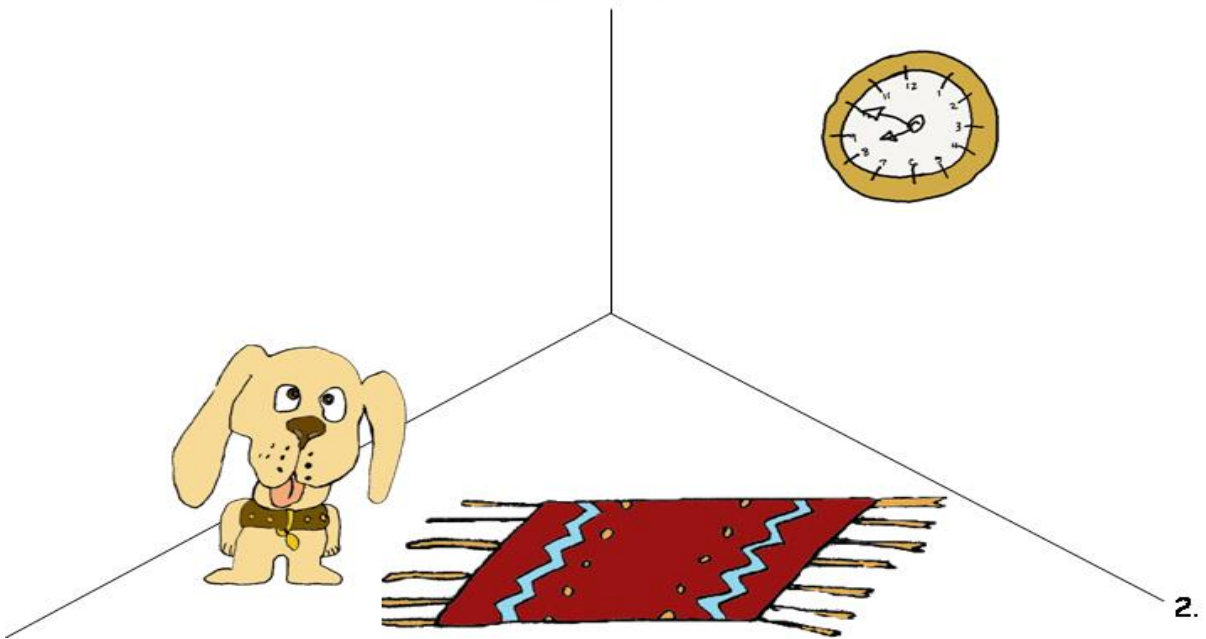

Yesterday, Colin lost his bone. He was very hungry so he decided to look everywhere for it.
First he looked in the house.

He looked under the colourful rug but it was not there. So he walked on.....

He looked under the colourful rug but it was not there. So he walked on.....

Next he looked in the untidy bin but it was not there. So he walked on.....

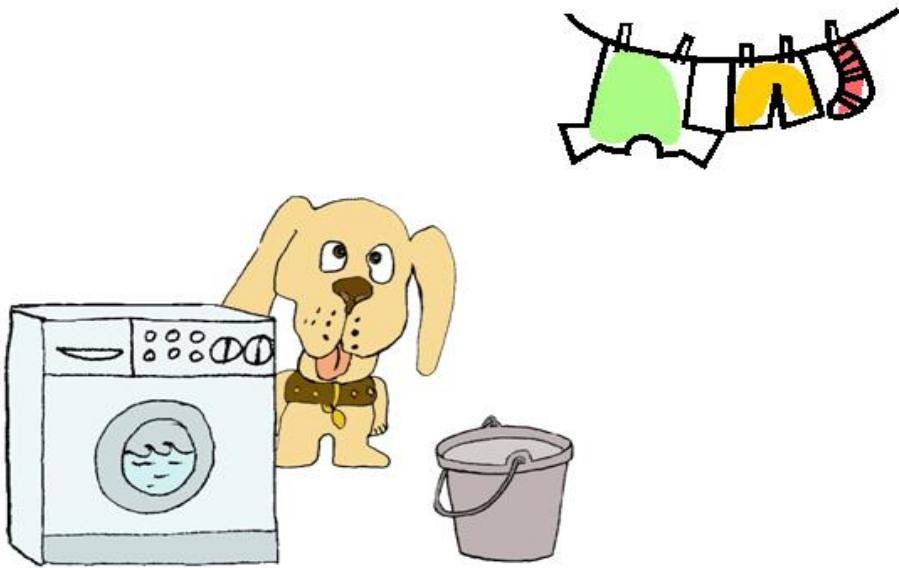

3.

Next he looked in the untidy bin but it was not there. So he walked on.....

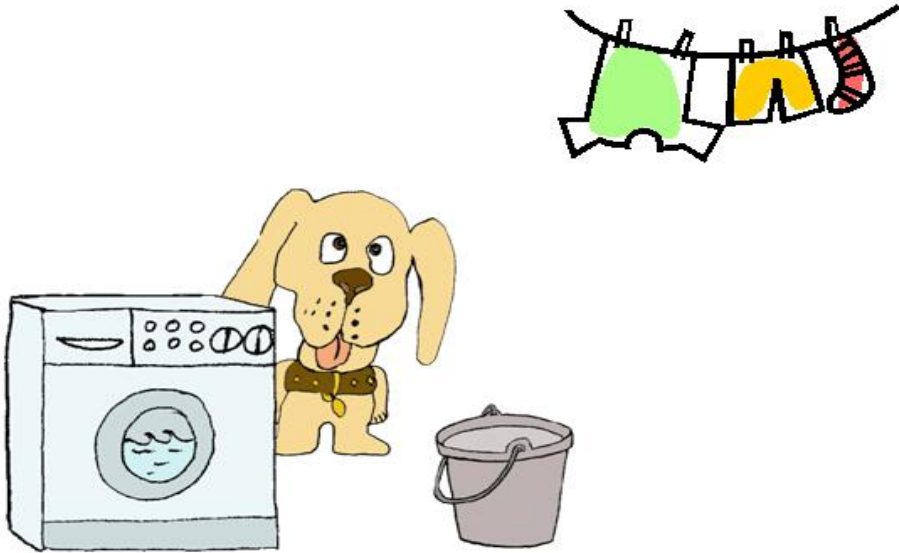

3.

Later he looked between the washing machine and the mop bucket but it was not there. So he walked on.....

4.

Later he looked between the washing machine and the mop bucket but it was not there. So he walked on.....

4.

**After that he looked behind the sitting room curtains but it was not there.
So he walked on.....**

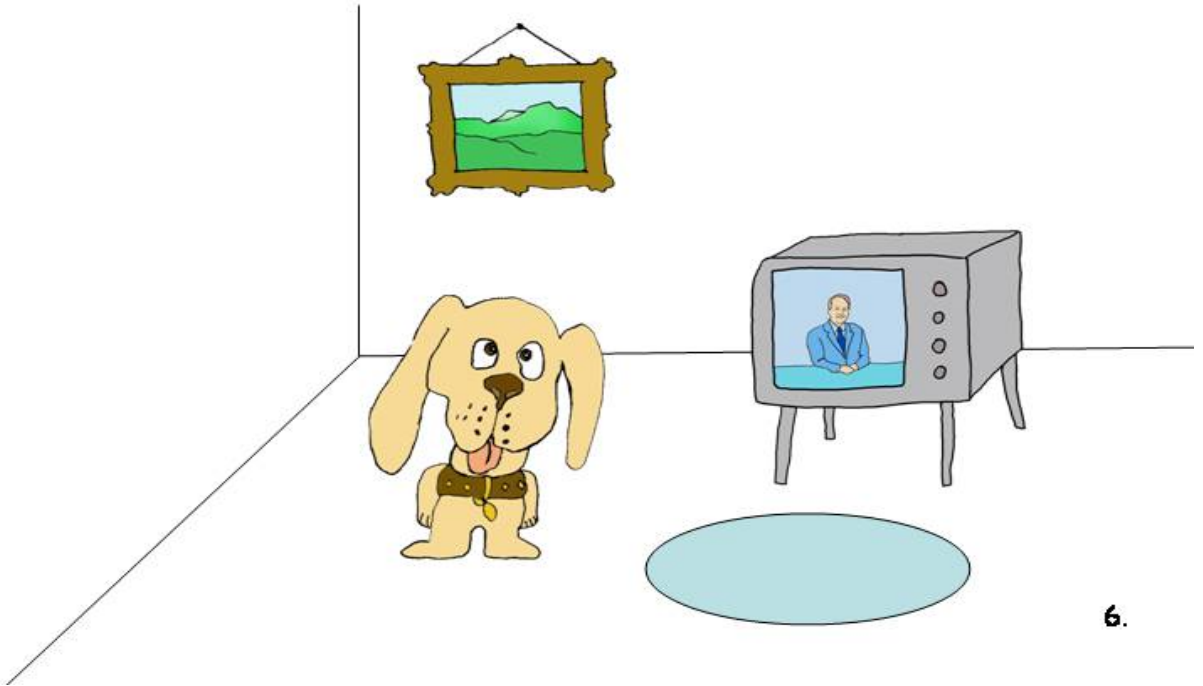

5.

**After that he looked behind the sitting room curtains but it was not there.
So he walked on.....**

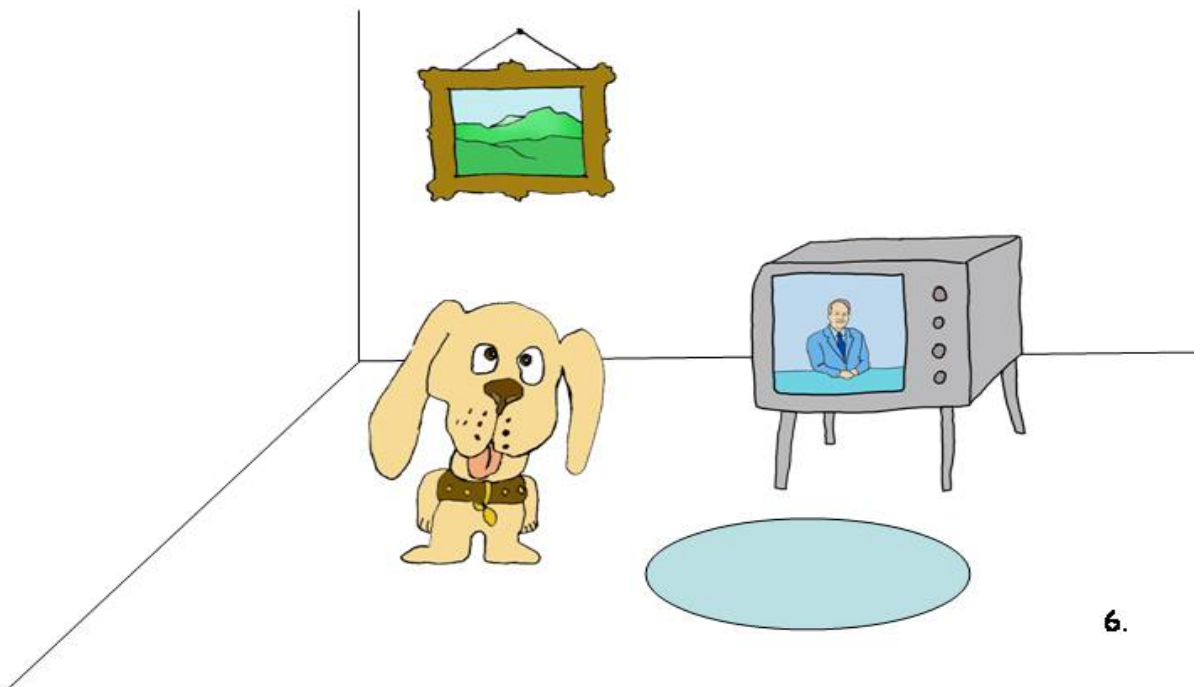

5.

Then he looked in front of the television but it was not there. So he walked on.....

6.

Then he looked in front of the television but it was not there. So he walked on.....

6.

Afterwards he looked over the side of the bath but it was not in there. So he walked on.....

7.

Afterwards he looked over the side of the bath but it was not in there. So he walked on.....

7.

Later he looked in the shower but it was not there. So he walked on.....

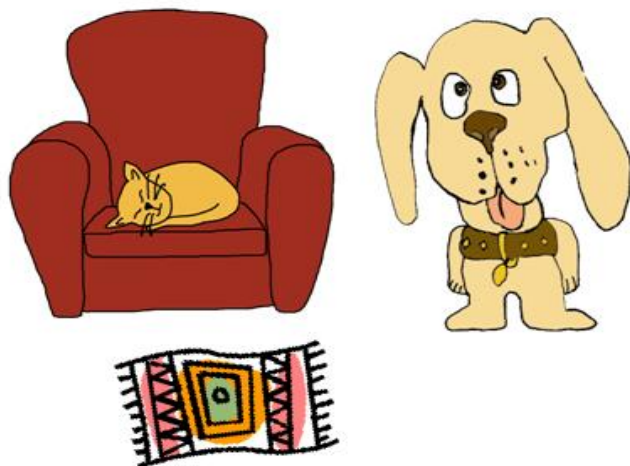

8.

Later he looked in the shower but it was not there. So he walked on.....

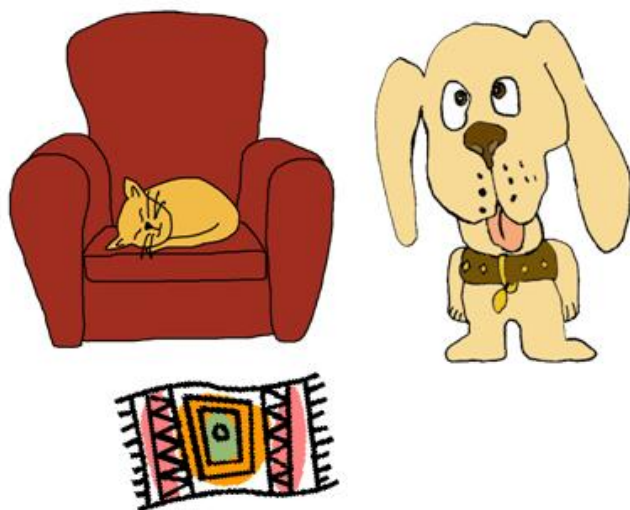

8.

Finally he looked on the chair. He found the cat but the bone was not there, so he walked on.

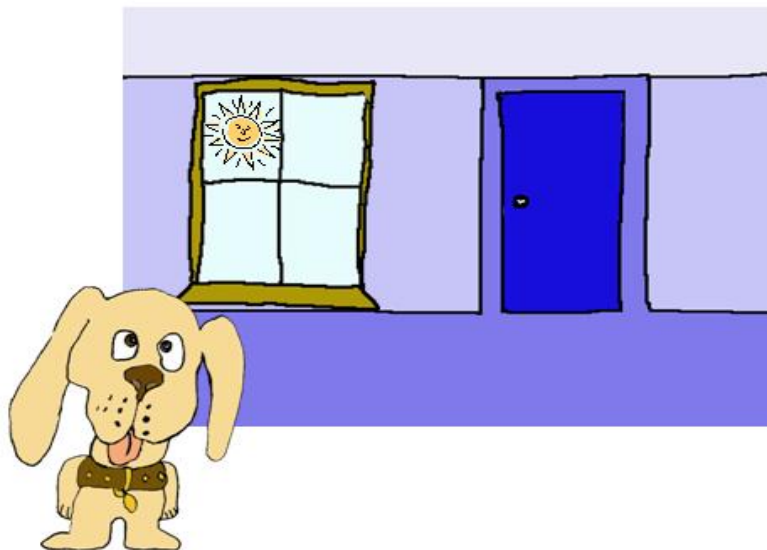

9.

Finally he looked on the chair. He found the cat but the bone was not there, so he walked on.

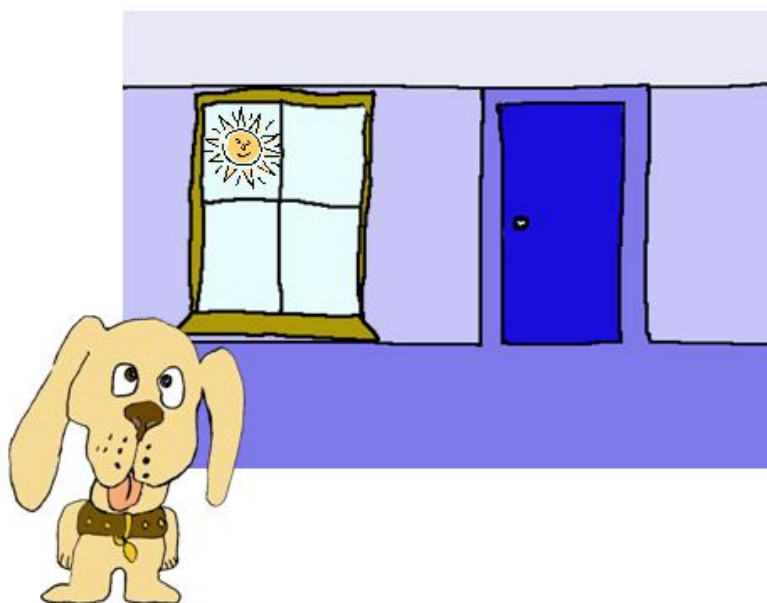

9.

It was hopeless looking in the house! He looked out of the window. The sun was shining so he decided to look outside. He was hopeful the bone might be there.

10.

It was hopeless looking in the house! He looked out of the window. The sun was shining so he decided to look outside. He was hopeful the bone might be there.

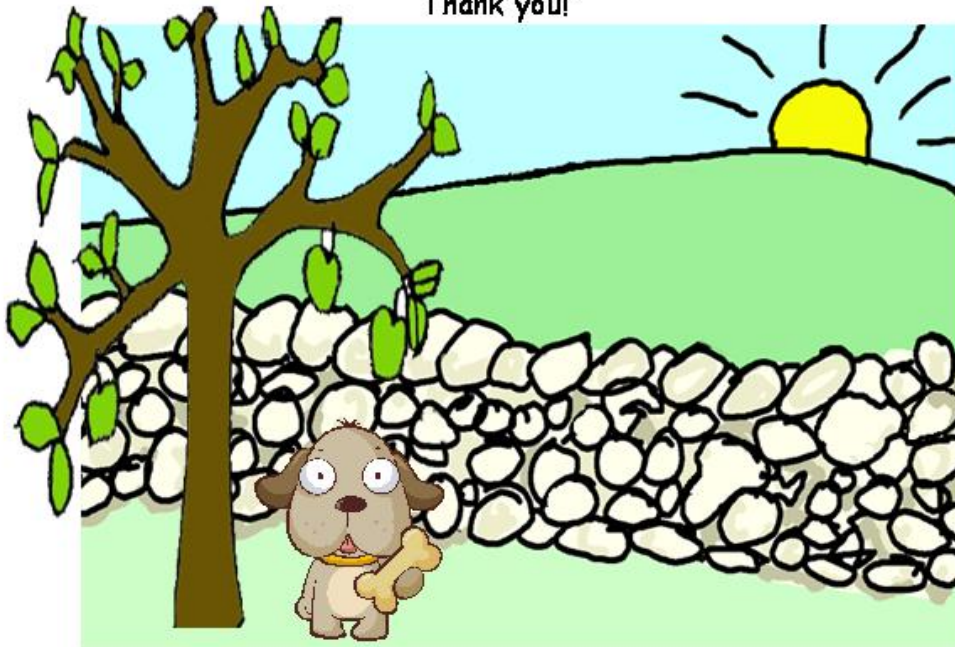

10.

He went out to the field. Next to the tree he saw his friend Basil. Basil was holding something! He ran up to Basil. "You have found my bone Basil! Thank you!"

11.

He went out to the field. Next to the tree he saw his friend Basil. Basil was holding something! He ran up to Basil. "You have found my bone Basil! Thank you!"

11.

"Basil, I have looked:

**under the rug,
in the bin,
between the washing machine and the bucket,
behind the curtains,
in front of the television,
in the bath and the shower,
on the chair.....**

12.

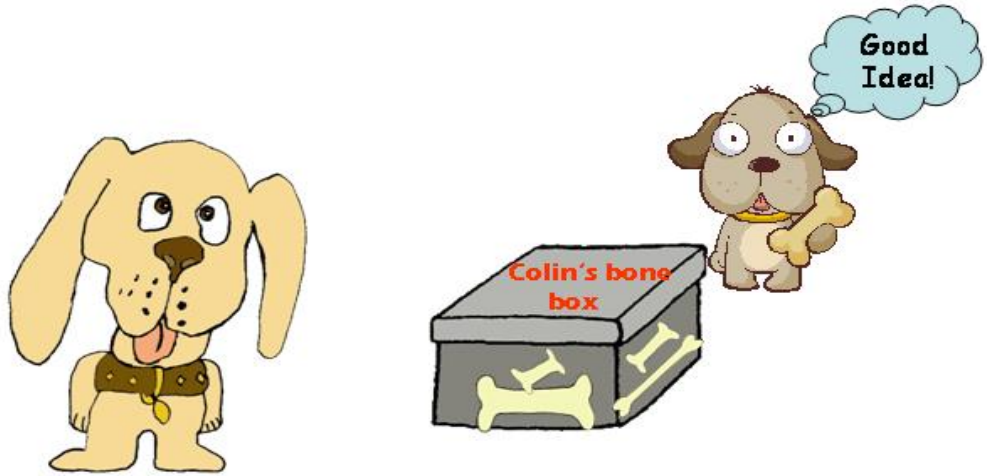

"Basil, I have looked:

**under the rug,
in the bin,
between the washing machine and the bucket,
behind the curtains,
in front of the television,
in the bath and the shower,
on the chair.....**

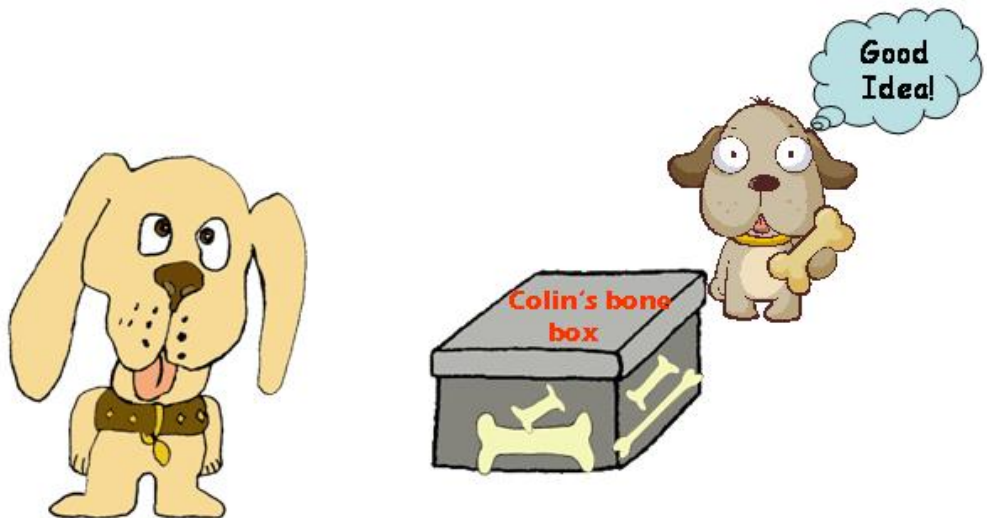

12.

I should have just looked for you instead!
Thanks for finding my bone Basil. I have looked everywhere.
I looked up and down but could not find it.
I will be more careful and put it in a safe place next time".

13.

I should have just looked for you instead!
Thanks for finding my bone Basil. I have looked everywhere.
I looked up and down but could not find it.
I will be more careful and put it in a safe place next time".

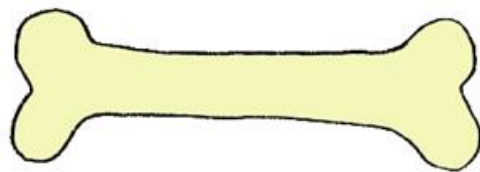

13.

The End

Think of something you have lost.
Which places did you look for it? Write a
story about your lost things.
