

A day in town

Week 7 Book 15

© 2008 Terezinha Nunes

On Saturday I went to town. I had lots of things to do so I went very early. I saw only a cleaner. He was cleaning the pavement.

First, I went to see the dress maker. She was making a beautiful dress. I collected the special party costume she made for me.

I walked past the square and I saw a singer. He was singing and playing a guitar.

I walked past an artist. She was doing artwork by the river.

Next, I went to the food market because I wanted some apples. A woman in front of me wanted lots of vegetables. Maybe she was a vegetarian.

Then I went to the florist. He sells beautiful flowers and I wanted sunflowers today.

Now it was lunch time and I was hungry. The baker was baking lots of bread. I had a cheese sandwich and some orange juice.

Next, I went to the library. The librarian helped me find an information book for my school project.

Then I visited the hair salon. The woman gave me a new hair style. She was a clever stylist.

Finally, I went back home on
the crowded bus.
I was tired after my busy
day in town.

The End

Can you draw a picture of me with my new hair style, flowers and my party costume for the photo frame?
